Full-Stack Development

Justin John Navarro

Aspiring Full-Stack Developer | React | Express.js | JavaScript |
MySQL | BSIT Graduate
Davao, Davao Region, Philippines

Summary

Recent BS Information Technology graduate from Ateneo de Davao University with experience in front-end and full-stack web development using JavaScript, React, Express.js, Node.js, and MySQL. Passionate about building practical solutions, learning new technologies, and continuously improving as a software developer. Currently seeking opportunities in software and web development.

Experience

Clever Kobweb
Full Stack Engineer
February 2026 - April 2026 (3 months)
Davao del Sur

Completed an internship as a Full-Stack Developer at Clever Kobweb, where I designed and developed a community website for the Filipino-Chinese Catholic Youth (FCCY) Philippines. Built the application using React, Node.js, Express.js, and MySQL while collaborating on front-end development, back-end functionality, database management, authentication, and system integration.

Education

Ateneo de Davao University
Bachelor of Science in Information Technology, Computer Programming,
Specific Applications · (September 2022 - June 2026)
